Seniors Lunch - Friday, 13th December 2019 at The IbeX

I'm delighted to say that after the wonderful lunch they served up last year, we will be returning to The IbeX for this year's Seniors Christmas Lunch Party. Complimentary, invitations to gentleman aged 65 and ladies aged 60, and their respective partners will be delivered by the end of November.

TO MAKE SURE I SEND THE INVITATIONS OUT TO ALL THE RIGHT PEOPLE, AND NOBODY IS MISSED, PLEASE READ THESE POINTS BELOW:

- If you receive an invitation and came last year, or you said you could not come, you are on the list and will receive an invitation - **YOU DO NOT NEED TO REGISTER OR CONTACT ME**
- If you have come of age and live in the Chaddleshworth Area as per the ages above, **YOU NEED TO CONTACT ME TO REGISTER YOUR INTEREST** so I can add you to the list.
- If you have had an Invitation in the past but did not reply to me last year **YOU NEED TO CONTACT ME TO REGISTER YOUR INTEREST** as I would have taken you off the list.

If you wish to Register to be put on the list to receive an invitation, contact Chris or Pauline on **01488 638149** or email **chaddchristmaslunch@btinternet.com** by the **10th November 2019** or your will miss out. As all the members of Chaddleshworth look so young it is very hard to make sure I have everybody is covered, so your help is much appreciated. We do have limited spaces for the lunch so please make sure to get back to me as soon as you get your invitation as I have to run a first come, first served policy.

If you have any questions or need me to explain further, please feel free to call or email me. Thank you

Chris & Pauline Jordan

Hedgerow Faith

It's time for some serious jam-making. So yesterday I rolled down my sleeves (to fend off the stinging nettles) and set to work to gather enough fruit for a year's worth of bramble jelly. Hidden among the thorny bramble stems I discovered other plants at a very different point in their life-cycle: honeysuckle and wild roses still flowering, green-berried holly and, in amongst a fallen apple tree, mistletoe forming tiny berries.

I took some photos of the hedgerow to keep on my phone because the mixture of seasons together, summer, autumn and the promise of Christmas, speak to me about much more than jam.

It reminds me that just as roses and honeysuckle flower among the thorns and stinging nettles, his love blooms in even the most painful of times in our life. We see this in Jesus' crown of thorns and his terrible death on the cross

which were overcome by the power of God's love bringing new life and promising hope for our tomorrows.

But sometimes my faith is smothered by weeds of care and trouble and God seems to be hidden in the tangle. That's when the holly and the mistletoe play their part as reminders of Emmanuel, the God who came to be with us, to live the sort of life we live.

Jesus knows first-hand the complexities of the human heart and the frailties of the world and by leaving his Spirit as a comforter he continues to be with us whatever the season of our life.

100 Club

The latest winners of the 100 Club draw are Mike Ridgeway with his lucky number 28 and Glen Bourne with her lucky number 27. They both win £34.50.

This Club supports the Village Hall in ongoing costs that are ever increasing (Insurance, Maintenance etc.). It is really worthwhile and I implore every villager to join.

How do I join the 100 Club?

It's easy! Here's what you do...

Go to your internet banking and set up a standing order for £2 per month (or £24 per year) payable to:

Recipient: **Chaddleworth 100 Club**
Sort Code: **62-28-74**
Account No.: **00000000** (eight zeros)
Reference: **2856684010**

That's it - you're done! Just email Grahame Murphy to let him know you've joined and to get your lucky number sorted out - then sit back and wait for your winnings to come rolling in...

Patients Participation Group 2nd September 2019

Dr Cave the senior partner told us that he had 'technically retired' but had come back to serve the community for the foreseeable future.

He went on to tell us that the new Primary Care Network (Downlands-Strawberry Hill-Eastfield House) was working very well. We will all see the advent of 'Social Subscribers' that will address problems not necessarily medical. They will address the problem of people living alone and provide a support structure (which is posh talk for offering help) so that people who are not ill but just need some social interaction to make them feel valued.

At present there are 2 people who will job share this role but will provide 1 day per week to assist the Downlands Practice. This may well increase if the project is successful. The programme starts in November and is funded by the government.

We then had a talk/presentation by Merryl Peckham the Senior Sister at the Downlands Practice. She has been in post for 2 years and has 3 nurses and 3 support workers reporting to her. They have just recruited a male nurse who is doing 28 hrs per week at present. One of the nurses has attended a 'Wound Clinic' so will be able to release time instead of a doctor to undertake this duty. In addition the nurses will be trained to undertake 'Pre-Diabetic health checks again saving valuable time.

One of the dispensary assistants will be trained in blood testing and this will help release doctors to carry out other duties. Compton will have staff on Tuesday/Wednesday/Thursday mornings to carry out local duties.

Travel vaccinations are being 'wound down' as the Downlands Practice does not have the staff/resources or time to do them and in any event these are 'private requirements'. During the winter months this service will be suspended as the practice is far too busy at this time of year.

Some bad/shocking news is Newbury District is 40% light on its nursing requirement because it is just too difficult to recruit.

Regarding the upcoming flu period the practice will not be sending out letters as this is too expensive at £0.68 per 19000 patients. Notice will be given via PPG Members and local newsletters. To this end I will be sending details of the Chaddleworth Newsletter and Penny Post to the practice so that they may disseminate information via this route.

Some notes to leave you with are if you really want to see your appointed doctor this may involve a wait of 2.5-3 weeks. Otherwise you can see a doctor the same day. 40% of patients in the practice are on some form of medication, for the over 65's this rises to 60%.

Finally 75 appointments in July were not attended meaning that 600 minutes of doctors time was wasted.

Chaddleworth Afternoon Club Tea Party for Macmillan Cancer Support

On Thursday 26th September the Afternoon Club hosted a tea party in the Village Hall in support of Macmillan's World's Biggest Coffee Morning Campaign.

This was a very enjoyable and popular afternoon. About 35 people filled the Village Hall and enjoyed tea, home made cakes and sandwiches and a good chat. We had a super raffle and more home made cakes and lots of gift items for sale. The afternoon raised £400 for Macmillan which is a great amount for a small village.

Thank you very much to everyone who came in the afternoon, all those who brought cakes and raffle prizes and of course all the helpers and organisers who worked so hard on the day. We also benefitted from a cheque from Phyllis and John Bibbings raised at their Garden Party at Monks Orchard back in the Summer (remember the Summer?!).

Thank you again to everyone who helped us raise this great sum of money to help Macmillan Cancer Support people including children with cancer and their families.

Harvest Celebration Auction

The Harvest Auction this year was a great success we raised an amazing **£1348.05** for the Seniors Christmas lunch. I would like to say a huge thank you to everybody who came and supported the event at The Ibex, and to all the very kind people and business who donated auction and raffle items.

The Auction would not have happened without the hard work, help, and time people give up to make it a great event, I would like to say thank you to Stuart & Colin and Ibex staff for being great hosts, and the Auction Team - Mark Slade for being the auctioneer (what amazing job he did), Lisa, Markus, Tish Slade, Chris, Tracy, Chloe Bartholomew, Troy, Pauline, Phoebe Jordan, and Leah Snarey for helping with the Auction night, raffle, collecting items, making posters, cleaning up etc. Also to Rob Bartholomew for making sure everybody paid and for sorting out the money.

I'm so lucky to have a team of special friends and amazing people behind me who put 100% in all the events we take part in - thank you.

The Sloely Cup

Whose Sloe Gin is the best? It could be yours! Well you need wonder no more as the annual Chaddleworth tradition that is The Sloely Cup returns to The Ibex on it's usual date, the last Sunday in January. So this year's competition will be on **Sunday the 26th January 2020**. Start time will be 5pm.

The coveted cup...

The format will be the same as ever, blind tasting by the entrants themselves (or you may nominate a taster if you prefer), with the winner receiving the coveted Sloely Cup.

All entrants must provide at least 500ml of Sloe Gin. Any unused will be returned.

Get picking!

Downland Gardening Club

The first meeting of the club after the summer break took place in Chaddleworth Village Hall on Monday 16th September. Our speaker was Angela Pawlyn, and her subject was entitled "Silk, from Cocoon to Scarf" Angela who has been weaving silk for many years brought with her samples of her work and her loom and spinning wheel. She distributed packs among the audience showing different types of silk, and including a degummed silk cocoon for members to try their hand at pulling it out to make a circular silken strand. There were various levels of success.

Angela took us through the various stages of silk production from the silk worm and cocoon, through thread extraction to dyeing, spinning and weaving. Examples of her beautiful and colourful scarves were used to illustrate dyes, patterns and different materials. Members and guests were able to examine her loom and "have a go" watch her spinning and look at the different designs and beautiful colours of the silks she had used in the scarves and woven pictures she had brought with her, and ask questions following her talk.

The meeting ended with refreshments and a raffle. We were delighted to see so many members and visitors for this talk, which was voted informative and very enjoyable. Next month we meet in **Leckhampstead on Monday 21st October** when our speaker is Emma Hamer from the NFU with a talk entitled "Your Harvest" Just right for this time of year.

Judy Kelley - 01488 638162

Shefford Young Farmers

Our first meeting back after the summer break was a circular walk and treasure hunt along the Ridgeway starting at West Ilsley. We had good weather and the views were amazing. We all noted the lack of cooling towers at Didcot in the distance now.

Our next meeting was at Brightwalton Hall where we discussed Club positions for the next year, as at our AGM on 16th October, and we will be electing a new Chairman, Secretary and other positions.

Shefford members were very busy at Newbury Show as we helped out at our County stand. It is always a good chance for our members to talk to the public and tell them about the Young Farmers Organisation. Hopefully we may have recruited a few more new members. Members also carried the Breed boards during the parade of cattle and took part in Bale pushing and Wheel barrow racing in the countryside area.

On Sunday 29th September Shefford YFC hosted the County Harvest Festival. Held at Fawley Church, members joined us from the Newbury and Bradfield clubs as well as parents and former YFC members. Shefford members did several readings and all members donated produce which will be donated to Loose Ends charity in Newbury. Thanks to Fawley Church for letting us join them in their service and providing refreshments for everyone at the end.

Young Farmers at Fawley Church

We have lots more meetings planned this term including Apple juicing, visit to Wessex Mill and a spooky Halloween evening.

If anyone is interested in joining our Club please contact sheffordyfc@hotmail.co.uk We meet every other week at Brightwalton Village Hall and anyone between the ages of 10-26 are welcome to come along.

Parish Council Minutes Extract - 17th September 2019

OPEN FORUM - un minuted

Matters raised to the Parish Council in the Open Forum.

- Trees overhanging next to the School – Cllr. Beard said he would action.
- Norris Lane Pot Holes. Cllr. Murphy reported someone from WBC was coming out to look at the road.

PLANNING APPLICATIONS RECEIVED.

Members of Council had no concerns over the two planning applications and agreed to 'Support' both applications.

19/01701/FUL Chaddleworth Rectory - Conversion of coach house to 2 bed dwelling.

19/01849/HOUSE Chaddleworth Rectory – Construction of detached garage.

Decision Notices

19/01352/FUL 1 Manor Farm Cottage - Vehicular access over a verge from C3706 to serve a new driveway and parking area at 1 Manor Farm Cottage.

19/01630/HOUSE Peacock Cottage. New two storey side extension, relocation of front door with two new porches. Additional timber cladding over existing extension. New window in existing first floor window. WBC GRANTS planning permission. (Note. Extension date was declined from WBC. No comments can be made from Parish Council as the determination date has passed).

A full discussion was then carried out over the process of requesting extension dates from WBC for planning application deadlines in between meetings. It was determined to review the Parish Councils Standing Orders to agree/confirm the procedure.

SPEEDING IN NORRIS FIELD

Following a letter from a concerned resident, enquires were made to WBC highways from the Clerk, and Cllr's. Murphy / Hooker (District Cllr.) asking for their guidance and support on the speeding concerns in Norris Field. It was also suggested if a reduction in the speed limit to 20mph could be an option. WBC reported a traffic survey would need to be done in the first instance and there were very limited places to deploy a speed data recorder (Black Cat). They said if requested they could collect the data over the coming months. Following collection of this data, 'if appropriate' the most suitable educational process will be initiated. Speed bumps and bollards were also mentioned by the Parish Council but as this location forms part of the public highway it is their duty to ensure that it remains accessible to all such as agricultural delivery vehicles, public services and the emergency services to name a few so it would not be possible to restrict access by means of bollards as suggested, and with no street lights speed bumps would not be possible.

The Clerk mentioned she had read an article of one village (not local) where Children made notices which were staked in the ground to slow drivers, which grabbed the attention of drivers and read reports of successful results from this, with the help of social media. A member of public who lives in Norris Lane attending the meeting said they would speak to the School to find out if this is something they could help with and would let the Parish Council know.

FOOTBALL FIELD

GMG provided 2 quotes, one quote to repair the gate post following Parish Council request. A second quote to erect a smaller gate, adjacent to the large existing gate. GMG suggested this would be more cost-effective. Members of Council approved the quote to erect an adjacent smaller gate. Chris Jordan asked if new football nets could be purchased. The Clerk said the last nets cost £49.89 for 2, along with the clips. Members of Council approved the expenditure.

OAK TREES IN MAIN STREET

The trees in question (4 in Main Street, 2 Upper End) were now touching the electrical cables. It was agreed to obtain quotes / advice from tree surgeons and report back in the next meeting.

OAK TREES IN MAIN STREET

The trees in question (4 in Main Street, 2 Upper End) were now touching the electrical cables. It was agreed to obtain quotes / advice from tree surgeons and report back in the next meeting.

BIRD BATH IN THE MEMORIAL GARDEN

Cllr. Murphy proposed to move the bird bath from the back to the front of the Memorial Garden where it will be seen and will need less maintenance. All agreed.

It was also discussed and agreed to buy 6 rose plants to replace some of the old roses, the expenditure agreed was up to £80.00.

UPDATE ON THE WESSEX SAW MILL

Cllr. Murphy said discussions were still ongoing with the Environmental Agency and consultants. The Clerk said an application had been noted via Hugo-Fox.com (not WBC) to lift 2 of the conditions (being 7 and 8) of appeal reference APP/W0340/W/17/3176451 (16/02954/FUL) and the Clerk believed this had been agreed.

DETRITUS LEFT IN SKITTLE ALLEY

Cllr. Murphy reported he had called and sent an email to SSE team regarding cutting a number of branches from a Buddlea and a Cypress tree in the garden of Rosemerion on Main Street. They had removed the cuttings from Rosemerion's garden but then dumped the rest in Skittle Alley which is a public footpath. No response back from SSE as yet.

METRO BANK

Bank accounts are open, however the Clerk noted only 3 bank accounts was opened when 4 was requested, being the 'Parish Council 'Bakers Trust' – 'Football Field' and the 'RESERVE ACCOUNT'. The Clerk also reported all cheque books, paying in books were delivered, but on receiving the bank statement no funds had been moved across to the Metro Bank and were still showing in Barclays.

INTERNAL AUDIT

The audit was carried out. No queries made. All record practises and accounts were good with no errors reported. The internal auditor signed off the Annual Governance Accounts Return Statement.

RISK ASSESSMENT REVIEW/SIGN OFF.

Cllr. Murphy had painted the phone box and the bus shelter, pruned and mowed the grass. He also repaired the glass on the telephone kiosk door that had recently been vandalised.

COUNCILLOR QUESTIONS AND REPORTS.

CCB -Community Led Housing workshop 19th Sept 2019 – Cllr Beard confirmed he will be attending.

Cllr. Mcallister (not present in the meeting) had asked if the owner had been contacted at Chapel Cottage regarding the ROW footpath/stile overgrowth. The Clerk said she had emailed the owner but had no response; the Clerk emailed a second email and is waiting for a response. Cllr. Mcallister also asked if there were any updates on the school bus payment scheme. After discussion Cllr. Beard said he would mention this matter at the Climate Conference to highlight the carbon emissions being used to deliver a taxi to a school outside our county.

Cllr. Murphy reported he had finally received the Ibex Community Right to Bid letter confirming our nomination relating to the Ibex for listing under Section 88(1) of the localism Act 2011 was approved by the Community Right to Bid Group on 15 April 2019.

CO-OPTION OF COUNCILLORS

Mr Joe Mills and Mr Kevin Brady both attended the meeting and asked to be considered to stand for the one available seat on the Parish Council. Cllr's. Homersham, Ballard and Murphy gave their vote to Joe Mills with Cllr. Beard's vote to Kevin Brady. Thank you to Kevin Brady for putting himself forward to stand for the Parish Council and thank you to Joe Mills for becoming a Member of the Parish Council. Joe Mills signed the Declaration of Office and the Clerk witnessed.

A full copy of the minutes is available on www.chaddleworth.net

Village Hall

The Village Hall Committee would like to thank Ruth Lee, Anne Bunn and their families for organising a lovely Garden Tea Party raising £311 for the Roof Fund. A further donation of £40 was raised at the recent Gardening Club meeting.
