Chaddleworth Parish Council

The big news from Chaddleworth PC this month is that we have reduced next year's precept. This is the portion of council tax which goes towards the village.

In 2022-23 folk in a band-D household were paying £8.63 a month. From 1st April this year a band D household will pay £6.55 a month, a reduction of nearly 25%. This reduction has been fully costed and has been made possible after a few years of astute and prudent leadership of the PC under the previous chairman.

The other news is that we have co-opted two new members, **Mr. Alex Woodroffe** and **Mr. Graham Stanley**. Thank you to them both for joining the PC. This means that we are nearly back to full strength. We also have a new clerk starting in early March. **Jim Wilson**

Local car sharing initiative coming soon!

Are you often travelling alone and wondering how inefficient it is when others are probably doing similar journeys? Or are you sometimes needing to be somewhere and just don't have the means to get there and could do with a lift? A pilot of a car sharing initiative is being launched soon in the local area and you are invited to find out more and give it a go by signing up for FREE! Maybe your New Year's resolutions have not quite worked out but you'd still like to try something new in 2023 ... this could be for you. And there is the added bonus of doing something positive for the community, the environment and your bank balance too!

Sharing journeys using the '**Liftshare**' scheme is flexible and you only share with people who you choose to connect with – you remain in complete control. Only residents with West Berkshire postcodes can sign up to the group so it is very much a local initiative which is hoped will give people confidence to try it out.

For the initiative to work, those who are happy to share their journey need to sign up as well as those who would benefit from receiving a lift – otherwise the matching up doesn't happen!

There are ways of ensuring the costs of travel are shared and as you log your journeys the system will work out collectively how we are helping to reduce the negative impacts on our planet. Obviously, it is even better if you are travelling in an electric car!

The journeys you choose to share could be a trip to a local centre for shopping, going to church or accessing various other facilities. It could be to attend a popular event or a sports fixture or it could be for work purposes. It is up to you.

For more information about the pilot initiative that is being launched for the communities of **Chaddleworth, Great Shefford, East Garston and Hungerford**

visit the West Berkshire Council website...

<https://info.westberks.gov.uk/liftshare>

... from **6th March** where you will find answers to some frequently asked questions and the link to sign up for '**West Berkshire Liftshare**'!

You can also contact the *Environment Delivery Team* if you would like to know more and they will be happy to answer your questions.

Letters and Announcements

The **HandyBus** service is returning to **Leckhampstead and Chaddleworth**, taking passengers to **Wantage**.

At last, after the shutdown of Lockdown, the **Downland Volunteer Group's**

Big Red HandyBus

is able to restore a fortnightly service on a **Tuesday morning**, picking up residents of Leckhampstead and Chaddleworth and taking them to Wantage and back.

It is a door-to-door service and the driver will help get your shopping into the bus and into your home. ***Let us know where you want to be picked from, and we will do the rest. Not bad for a £4 round trip.***

Come along and bring a friend. Feedback from our existing routes is that regular users love it – not just the shopping, but for the ride and the camaraderie.

Call **Rollo** on **07785 221040** to book your next journey. ***The service will be free for March 2023*** Come on Board!

Parish Council Chairman's Resignation:

I was mystified by the news that our Parish Chairman has found it necessary to resign from the Council. Something to do with alleged speeding by someone in the village several years ago? I served on the Council with Grahame for 25 years, and of course we had our differences occasionally, but I never had cause to doubt his integrity. He worked long and hard for the village, sometimes in the face of hostility from the powers that be. He will be missed. **Thank you Grahame** for all that you have achieved on our behalf.

I note that the Parish Clerk is also standing down. We have been blessed with excellent Clerks over the years and Kim was one of the best.

St Andrew's Church, Chaddleworth – part of the West Downland Benefice

*"For I know the plans I have for you,"
declares the LORD,
"plans to prosper you and not to harm you,
plans to give you hope and a future."*

Jeremiah 29: 11

5th March is my final Sunday working in the parishes of the West Downland Benefice. There will be a special service at 10.30am in Brightwalton Church with drinks afterwards and then lunch in the village hall for those who can stay. Please don't worry if you haven't let anyone know you're planning to attend, there will definitely be enough for everyone! The important thing is to get together to celebrate all the good things we've done together over the last five years, to remember those we have loved and lost, and to encourage one another to go on loving our neighbours and trusting God for the future.

Dealing with changes in our lives is difficult for most of us, and we know that for wedding couples and bereaved families this time without a Rector in the parishes will be unsettling. 'Knowing what's going on' always helps, so if you are not already receiving the weekly 'pew sheet' email on Fridays at 4pm you may find it helpful to subscribe by contacting **Sarah Youldon** and asking to be added to the circulation list. Sarah's email is sarah.westdownland@gmail.com

After 5th March, Sarah will monitor my **miri.westdownland@gmail.com** email on Tuesday and Friday mornings. But for the rest of the week your local churchwardens will be your first point of contact for urgent enquiries e.g. if you

need to organise a funeral or need to speak to a minister about someone who is unwell. Their names and contact details are in your church porch.

For the remainder of the month, I shall be getting everything ready for our move to the border of the Forest of Dean and the Wye Valley. I'll be very happy to chat, but I will not be able to deal with any church business. David will continue to work at the Rutherford Appleton Laboratory so you may see him, even when we've moved house, as he will be staying in Leckhampstead a couple of nights a week. If you would like to keep in touch with us, we'd be delighted to hear from you using this address

daveandmiri.parkhill@gmail.com

Serving as your priest has been such a privilege, and though I am beginning to explore the next part of God's plan for me, please never hesitate to ask me to pray for you or your loved ones. **Miri**

Contact Details during the Interregnum

The Benefice Office email will remain unaltered sarah.westdownland@gmail.com

Miri's current mobile will be adopted as the Benefice Office Number during the interregnum **07954 117093**.

If there is no answer, please leave a message and Sarah will call you back during her working hours. If your enquiry is urgent, please contact your local churchwarden who will be able to direct you to a minister.

Great Sheffield Pre-School

**Pre-School, Tuesday, Wednesday,
Thursday 9:15am to 2:45pm**

The children enjoyed the mixed weather of the first half of the Spring term; rain which created large puddles to splash through and frost which froze them into skating rinks. We made the most of being outdoors to experience the wintry weather, wrapped warmly and having fun.

Our role play area became a Police Station to learn about jobs people do to help us all and we are looking forward to PCSO Lee Bremner visiting us in early March.

We also made fat balls to help the birds and took part in the *RSPB Big Bird Count* each afternoon. Not only did we count the birds but we also loved listening to them chirping loudly in the neighbour's hedge.

As the weather improved, we walked to the churchyard to admire the carpet of snowdrops and ate our afternoon snack

on the benches overlooking the water meadow.

The new half-term got off to a "flipping" start as we returned on Shrove Tuesday and had pancakes for a snack followed by a pancake race around the hall by the staff!

If you have a pre-school child and would like to find out more about the wonderful learning experiences we offer, please log on to our **Learning Diary** on our website **www.greatsheffordunderfives.co.uk** or contact us on **07867 934387**.

**Baby and Toddler Group, Monday
9:30am to 11:15am**

*The Baby & Toddler group is very popular with young families from the local area. If you haven't visited us before, please come along to **Great Sheffield Village Hall** and let our staff, **Morven and Debbie**, make you most welcome with a cuppa, chat and plenty of activities.*

We have an excellent range of resources and most importantly, are looking forward to meeting parents and their very young children to offer support and friendship.

With best wishes, **Denise**

Federated Primary Schools

Have you heard about **SMSC**?

Spiritual, Moral, Social and Cultural development? It is a part of the curriculum that we explore through many different subjects and in many different aspects of everyday school life. We explain spiritual development by describing it as thoughts about ourselves, others, the world and beyond. For example:

"I felt excited about my learning because I have never done as many questions before!" Chase F.

"When I saw someone looking nervous, I went over and helped them because I like helping people and then they trust me." Eleanor S.

"It is important that we look after the world otherwise the environment won't be nice. I've made a poster to remind everyone about looking after rubbish carefully and also looking after all our equipment too!" Emilio

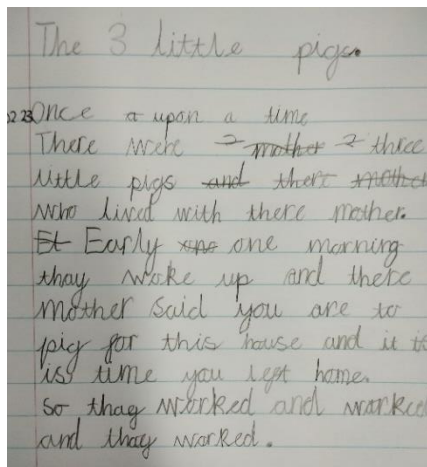

"I think God doesn't like climate change but he doesn't want to act too quickly. I think he wants us to realise ourselves. You can't just have someone doing things for you over and over again, you need to teach yourself how to do it!" Fred

How thoughtful and also thought provoking!

The **PTFA** had funded beanbag seats - **Thank You!**

Writing in year 1 (age 5 and 6): They have just got started on their retelling of 'The Three Little Pigs'. Can't wait for the next instalment!

Our children loved **Number Day** which involved celebrating maths. They even learnt a little maths magic thanks to **Mrs Sayer**, our Assistant Headteacher and Maths Lead. **Thank You** parents for joining the workshops at the end of the day to find out about how your child learn different mathematical concepts.

Shefford Young Farmers

We have enjoyed some interesting meetings over the last month.

We kicked off 2023 with our annual meeting of 'how to pluck and dress a pheasant'. A great meeting was had by all and even the children who weren't so sure at the start got stuck in by the end!

We have had an interesting talk from Dyson Farming all about their farming business on their Estate at Compton and we are looking forward to going on a farm tour there in June.

We also have had a very inspiring talk from Alan Hyde, the Motorsport Racing

commentator. This was definitely a hit with the boys in the group!

We are now building up to our annual Country Fayre which is being held on **7th May**. The event is open to the public so please do come along and see what Berkshire YFC is all about at **Newbury Showground**.

More information and tickets are available from www.berksyfc.org.uk

The Memorial Garden

Messrs '*Mills and Murphy Garden Services*' have replaced 6 roses on the garden (that were provided by *Glen Bourne*) and will continue to improve the garden as time goes on.

The Parish Council have approved a memorial tree and plaque in memory of *Henry Ponsonby* who generously financed some of the original planting and always provided the electricity for the Christmas lights.

At the entrance to the village along Mount Lane more snow drops are to be seen (courtesy of *Peter and Karen Hambro*) and two more Christmas trees have been planted (these were provided by *Sarah Gray*) to add to the two already there.

A rota for the weeding and dead heading of the Memorial Garden is maintained by *Lea Naples*.

National Animal Welfare Trust Trindledown Farm

Love was in the air at Trindledown Farm this February. In case you missed it, we launched our annual Valentine's Day sponsorship, where you could sign up to give a special treat to one of our animals and in exchange, you got a Valentine card back from your chosen sponsor.

We also had a clothes sale throughout the end of January until the beginning of February from which we are pleased to say raised over **£700** towards the care of our animals. This money will go towards the dietary and enrichment needs of all the animals under our care.

We are excited to announce we are set to bring back our Open Day! We have not had an open day event since 2019, so we are so thrilled to announce that this year we are planning for the event to make its return on **Sunday 13th August**. We are currently appealing for stall holders who would like to be booked in first this fantastic event! For those that remember, our open day is a popular event, set to have over 1,000 people in attendance. For more information, please contact c.orchard@nawt.org.uk

Still looking for a home is the handsome **Hercules**, a lurcher that came into the rescue after being found as a stray. He is a bouncy, affectionate boy who is looking for a home to give him a lot of

It is with a heavy heart; we are letting our supporters know the amazing **Barry the pig** passed over rainbow bridge January 26th. Barry came into our care in 2017, and it didn't take long for everyone who visited the centre to fall in love with his sassy but cheeky nature. In life, Barry loved his food and his bed the most. At times he was lazy and a bit stubborn, but he was a huge character who we will miss beyond words. We have added a plaque in his memory to a wall near the stable courtyard for anyone to view when visiting. Thank you to everyone for your support following this news. It has been rather a shock for staff, and we are still processing and adjusting to life without his cheeky face. We posted a memorial video across our social media platforms, which you can find by searching for NAWT Berkshire. The video is available for everyone to view should you wish to see it. Sleep well Barry, there will never be another like you! You have left us with so many amazing memories that will always make us smile.

Don't forget you can keep up to date with all of our animals and activities through our social medias by searching **NAWT Berkshire** on Facebook and Instagram or Trindledown Farm on TikTok! **Molly Hall**

Yoga in March

Monday evenings **6:15-7:15pm**
Classes **£10** (pay as you go)
all abilities welcome
Great Shefford Village Hall

Classes this month will be themed around *Yoga for Embracing Change and Challenge*.

As human beings, we are pretty complex organisms, built to develop, grow and adapt to any circumstances. Most of the time, however, we resist change.

Although we often choose comfort over challenge, our transition into Spring can be a really opportune time to initiate some change. Some shedding of old patterns and thoughts that no longer serve us, as well as some proactive implementation of new, supportive habits within our lives.

How the Theme Supports Your Yoga Practice

We will be continuing with our Spring Themes of finding variety, play, challenge and change within our practice. So can you embrace change when I introduce new Yoga poses, new movement patterns? Can you lean into it, even if it feels strange to your body, with an open mind, a playful mindset and one keen to keep finding growth in Yoga? You might actually find more enjoyment on the mat!

Keep all these values in mind as you come to your mat, and ask yourself where can you take the pose deeper, how can you feel into your body more and adapt a pose that usually gives you trouble! The key is to really find presence, allow that presence to bring you that contentment and zoned out feeling on your mat this month.
