## Queen Elizabeth II Memorial

There is a New Memorial to Queen Elizabeth II in Chaddleworth thanks to some upcycling.

Many of you may remember my wife Maralyn and I when we lived in 56 Upper End and latterly in the Old Chapel in Brightwalton. Sadly, Maralyn lost her mum Jean back in 2019 and due to Covid it was only last year when we could get back from New Zealand to finally put her ashes to rest with her late husband Charlie.

Maralyn wanted a new memorial to be installed at St Mary Church Speen for them both so when we returned to NZ this was designed and ordered from a stone mason in Cornwall.

Thanks to our old friends Ray Doncaster and Joe Mills, Charlie's old memorial was removed and the new one was all installed and looks just fantastic but... the story doesn't end there. Ray thought 'so what shall we do with the old memorial that's been replaced'. Upcycling was the answer and now this is a brilliant new memorial to the late Queen Elizabeth II which been placed in the Chaddleworth Memorial Garden.

Thank you, Ray and Joe, needless to say there's a few pints in the Ibx to be drunk on our next visit.

## RAF Welford 80<sup>th</sup> Anniversary

RAF Welford opened in 1943 and, during WWII, was used primarily as a transport airfield by both the Royal Air Force and United States Army Air Forces.

Following the war, the base was placed in reserve status until 1955 when it was re-opened as a munitions depot by the United States Air Force (USAF).

Today it is one of the largest munitions storage areas for the USAF in Western Europe.

The USAF 420 Munitions Squadron (420 MUNS) hosted an 80<sup>th</sup> Anniversary Commemoration on Friday 23<sup>rd</sup> June including a welcome from USAF leadership, a presentation on the history of RAF Welford and a variety of displays including the RAF Welford Museum and WWII military vehicles (pictured).

## Letters and Announcements

### St Andrew's Churchyard

As part of a visit to Chaddleworth yesterday, Caroline and I went to the village church St. Andrews and placed some flowers. What a wonderful place!

May I, through Chaddleworth News, express my sincere thanks and appreciation to everyone involved in the churchyard working party for the incredible job they have done.

In addition to the high level of maintenance, the restoration of so many of the headstones, including revealing some that had become densely overgrown, is a fitting tribute to those who rest there.

It was also wonderful to see that the seat dedicated to the memory of Dorothy Horne some 30 years ago, has been painstakingly restored and moved to a setting where visitors can sit and take time to remember those who are no longer with us. I understand that the clock has also be the subject to restoration.

A wonderful place to visit and enjoy.

***Best wishes, John Perou***

### Geoff Grayer of Southend Brightwalton

For those of you who would like to raise a glass to Geoff, who passed away at the end of May, please come to the Ibex on Monday 3<sup>rd</sup> July at 19:30.

## Great Sheffield Under 5's

Pre-School: Tuesday, Wednesday,  
Thursday, 9:15am to 2:45pm

We are now edging towards the end of the academic year and many of our children will be off to school. This year they are joining Sheffield, Brightwalton, Stockcross, Chilton Foliat, Lambourn, Thatcham Park and Elstree Schools. Many teachers have been to Pre-School to meet the children and chat with the staff plus the children are attending their school visit days. We have, however, fitted in a super trip to Bucklebury Farm Park which was mostly provided through our fund-raising efforts. We are also spending a day at Welford Park, walking around the grounds and having our lunch and recreation at the Cricket Club.

Our Sports morning will be on the last day of term, Thursday 13<sup>th</sup> July and we will present the children with the medal (which they are making themselves) and a leaver's book.

We have had a wonderful year with a fabulous group of children who have enjoyed a wide range of indoor and outdoor activities which we hope have given them a thirst for learning in the years ahead.

We will also say a **fond farewell and thank you to Sarah Harris**, known to the children as "Super Sounds Sarah", as she takes up a full-time teaching post at the village school; it has been our privilege to work with Sarah over recent years and the children have benefitted from her early phonics activities.

If you have a pre-school child and would like to find out more about the wonderful learning experiences we offer, please log on our Learning Diary on the Home Page of our website [www.greatsheffordunderfives.co.uk](http://www.greatsheffordunderfives.co.uk) or contact us on **07867 934387**. We will have spaces next year so please do get in touch.

**Baby & Toddler Group:**  
**Monday, 9:30am to 11:15am**

The Baby & Toddler group is very popular with young families from the local area. If you haven't visited us before, please come along to Great Sheffield Village Hall and let our staff, Morven and Debbie, make you most welcome with a cuppa, chat and plenty of activities. We have an excellent range of resources and most importantly, are looking forward to meeting parents and their very young children to offer support and friendship. Our last session is Monday 10<sup>th</sup> July then we have a break until early September.

Federated Primary Schools  
'Living life in all its fullness'

What a week!

The Red Kites performance of 'The Toy Shop' at The Watermill Theatre was **a-maz-ing!** Three nights of collaboration, concentration and creativity! And they had such fun doing it too. One of the children stepped into a role with less than an hour to go before curtain up and she did such a brilliant job. Wow! You couldn't ask for anything more. A very proud moment for all of us watching!

Here's what the children said:

*The Watermill very kindly invited Year 5 and 6 to take part in the small schools' production of 2023. 'The Toy Shop' was written by Talitha Wing but also us! We created our character's personalities, adapted the script and improvised our lines to make it ours as well.*

*Special thanks to Lixi for building up our confidence in order for us to be able to perform in front of a large audience. Big thanks to all the staff who have helped us too.*

*"It was great. You did very well and your acting skills were on point." Mrs M, "I was really proud of you and I didn't know you had that in you. I was really amazed." Mr E, "Molto bene!" Mr M, "Foarte bun!" Mr S, "I could hear you so clearly." Mrs R.*

Thank you, parents, for supporting us in learning our lines and encouraging us.

Thank you also to John O' Gaunt School for running the Primary Project so our Y4 and Y5 children can experience secondary school. They had a great time using Bunsen Burners, getting to grips with maths problems, creating their own medals and designing chocolate bar wrappers - and these are just some of the activities.

It is Science Week this week with the theme of 'Connections' and so far we have built bridges and found out links between tractors and Space! Later on this week, the children will be finding connections for fossils and animal adaptations which will finish with a Sharing Collective Worship where each class will be present what they have found out.

I can't wait!

During the Chaddleworth Open Gardens Entertainment Day, the King Charles III Coronation Shield was officially unveiled at The Ilex Inn.

PS a pair of sunglasses were left at the Tea Garden, please contact the number above if they were yours.

## National Animal Welfare Trust Trindledown Farm

Hello again from Trindledown Farm! It's been a busy few weeks here with lots of animals coming and going and events in the community.

On the 29<sup>th</sup> of May, we went out to the Harwell Feast and more recently Saturday 17<sup>th</sup> June we attended the Wantage and Grove Extravaganza – both of which were fantastic events. Thank you to everyone who came along to support us. We'll be attending The Aldbourne Doggy Day Sunday 2<sup>nd</sup> July and Shaw House Summer Fayre Sunday 16<sup>th</sup> July next (weather dependent!).

Speaking of events, our **Open Day** is fast approaching, and we are busy finalising everything ready for the big day! Make sure to mark your calendars for **Sunday 13<sup>th</sup> August**, as we are excited for you to all to join us and see what fun we have in store!

Rehoming wise this month we've had hello and goodbye to some lovely faces including *Stitch*, the German Shepherd Cross who has gone to a lovely family who he absolutely adores. Also gone home are *Denzel* and *Tabby* – two of our cats. We are particularly pleased for *Tabby* who has been under our care since January. Still on the hunt for a forever home are *Bruno* and *Tyson*

for our cats, this dynamic duo are polar opposites, but both equally love their fuss. Dogs-wise we have *Oscar* a gentle and sweet rottweiler cross determined to find someone to spend his days cuddling with and we also have *Ben* and his best friend *Candy* the cat. Ben and Candy are a fantastic pair who enjoy spending their evenings cuddled up together. We're hoping to find a home for the pair so they can stay together.

In other animal news we have *Honey* and *Truffles* who we have started a JustGiving campaign for to help raise the necessary funds needed to cover the medical costs of getting both dogs back to good health. They came into the centre together after being found roaming the street as strays. If you would like to donate, please pop in or call the centre on **01488 638584** or look up the following link online: [www.justgiving.com/campaign/honey-and-truffles-a-sticky-situation](http://www.justgiving.com/campaign/honey-and-truffles-a-sticky-situation)

We appreciate any support you can offer!

## The Base, Greenham

### Kurt Jackson: River

*Friday 9<sup>th</sup> June – Sunday 6<sup>th</sup> August 2023*

Leading British contemporary artist *Kurt Jackson* has spent well over forty years working on, next to and along many different watercourses; painting and drawing, following and observing these dynamic and enigmatic waterways.

[www.thebasegreenham.co.uk](http://www.thebasegreenham.co.uk)

This exhibition draws together works from a selection of his many different river projects, offering a glimpse of a variety of locations, each with their topographic and geophysical diversity. It also explores Jackson's varying approaches, in terms of medium and scale, as well as the changes and evolution of his technique over time.

As the ancient saying goes' "no one can touch the same river twice", the river changes and so do we.
