Bryan Lyttle from WBC might be able to give a talk on this).

The regular Statement of Accounts was provided by the Clerk.

The Budget vs Expenditure tables (Appendix 2) and the End-of-Year RFO Report (Appendix 3) were presented by the Clerk.

It was suggested that a statement of accounts could be provided in future agendas and Cllr. K. Brady offered to provide an example of this.

It was agreed that a third signatory, the Vice-Chair, should be added to the Metro Bank mandate so that transaction may be continued in the eventuality that one signatory is absent. The Clerk will obtain the necessary form(s).

- 8 **THE MONDAY CLUB**: This is proceeding. It was suggested that some more prominence might be achieved for the Club via Chaddleworth News.
- HIGH SPEED INTERNET IN CHADDLEWORTH: A comprehensive report was shared by Cllr. Stanley. The action plan is, following an example from Brightwalton, to take this to a potential supplier. It is also suggested that a small user group in the Parish might take some measures of the existing performance. The situation in the Parish whereby out connectivity via BT was relatively early and, unfortunately, subsequent GigaClear connection was not made was noted. It was also noted that GigaClear are shortly to install into Glen Millar Close via overhead posts. It was also noted that the coming rollout of 5G might enable some 'rural trials'.
- 10 <u>VILLAGE ENTRANCE GATES</u>: It was noted that the Mount Lane gate needs replacement which will increase the maintenance cost, that WBC has moved to plastic gates now (possibly recycled), that the gates were originally placed for 'traffic calming'

hence there not being one in Norris Lane. Cllr. Clive Hooker also noted that the next round of 'match funding' may be available soon which might be a backup-plan if WBC would not provide the maintenance. The Chair volunteered to pursue the maintenance needed with WBC.

Action: Cllrs. J Wilson to contact WBC.

**LOCAL FLOODING**: It was noted that the ground is sodden and there is nowhere for the water to flow to. It was also noted that other work by WBC planned in Hangman's Stone Lane and near Butts Wood was expected but has not been completed. The Chair volunteered to also pursue with WBC Highways Agency their plans and timescales for local maintenance. The Council also asked to bring forward any specific examples of maintenance needed.

Action: Cllrs. J Wilson to contact WBC (Peter House).

- 11 **NORRIS LANE ROAD**: No further contact has been received.
- 12 **NODMORE SUBSIDED DRAIN**: This has been repaired.

#### 13 **CLERK REPORTS**:

The handover from the previous Clerk is completed, although some files and the laptop still owing.

The Metro Bank mandate change is completed for the recent council changes. The Clerk awaits further advice from Metro Bank for completing payments electronically rather than via cheques.

## 14 **COUNCILLORS' REPORTS**

It was noted that a playground clean has been offered by a member of the public. Cllr. A. Woodroffe will contact them. Cllr. S. McAllister-Lovelock will clear a low branch at the playground.

With the Council's unanimous support, Cllr. S. McAllister-Lovelock thanked Ben for the strimming of verges at road junctions in the Parish.

With the Council's unanimous support, Cllr. S. McAllister-Lovelock thanked former Councillors Grahame Murphy, John Ballard and Joe Mills and former Clerk Kim Lloyd for their many years of service.

- Cllr. S. McAllister-Lovelock reported of recent attendance to Saunders Wynn and Coventry Educational Foundation charity meeting and will do so at the next meeting also.
- Cllr. G. Beard provided an update on the Downland Volunteer Group (DVG) following very low use of the recent Handy Bus relaunch and they seek any feedback on timing, destinations, etc. It was suggested that The Ibex Inn might have a 'local ideas and feedback board' to allow another channel for parish communication. It was also suggested that more DVG adverts and user's stories might be shared.

Cllr. K. Brady reported that The Big Coronation Lunch was well attended and went very well.

- 15 **MATTERS FOR FUTURE CONSIDERATION**: No additional matters were raised.
- DATE OF NEXT MEETING: The next Parish Council meeting will be on Tuesday 4<sup>th</sup> July 2023 at 7:30pm in Chaddleworth Village Hall.

## **Appendix 3 – End-of-year RFO Report**

## **Chaddleworth Parish Council End of Year Report for 2022-2023**

At the beginning of the 2022 financial year the funds carried forward were £17,952.41.

In 2022-23 the income was £19,848.31 and the total expenditure was £13,546.88.

As of 31 March 2022, the Council balance is £14,253.84, this includes the Reserves of £6,000 made towards the Playground Capital Replacement.

The Council has underspent in the 2021-22 budget by £3,622 and has therefore been fortunately able to manage a reduction in the 2023/2024 budget — and consequentially the Council Tax precept for this period.

This end of financial year report is provisional and is subject to completion of the subsequent internal and external audits. With there also being a change of Clerk during this financial period, some in-progress items are noted (for example the VAT reclaim from 2021 – 2022).

The Clerk would also like to Thank the Councillors — both past and present - on behalf of the village for all they do for the community. The money that is saved from the Councillors doing jobs around the village in their own time, at no cost to the village is remarkable! This in turn reduces the Council Tax for the residents of Chaddleworth because the Parish Council are able to reduce the Precept.

Clerk /Responsible Finance Officer — May 2023.
