Christopher William Edge

22nd January 1951 to 29th July 2024

Chris moved to Chaddleworth on 15th August 1998 where upon meeting his new neighbour, told them he would be their neighbour from hell! Turns out it was quite the opposite thankfully.

Chris enjoyed his quiet life pottering around and looking forward to his Formula 1 on Sundays and all his Rugby. It wasn't worth your life interrupting him while he was watching those!

He joined the army from a young age and dedicated many years to that travelling across the world before meeting Mum and settling down to married life and us two kids.

He then became a 'Pops' when his two amazing granddaughters arrived who wrapped him pretty quickly round their little fingers!

A massive thank you to everyone that came to Dad's funeral and Farewell Party and to The Ibex Inn for the lovely food.

I hate goodbyes so instead I'll see you later Dad.

You are, and always will be, the Best and Main man in my life.

Love you.

Kirsty XX

Poem by Darcy at her Pops' funeral:

*It's been the hardest thing to lose you,
you meant so much to me.*

*But you're in my heart
and that's where you'll always be.*

*I know that Heaven called you,
I wish you could of stayed.*

*At least the memories I have of you
will never fade.*

*I did not want to lose you,
but you did not go alone
because a part of me went with you
when Heaven called you home.*

*So just remember one thing,
we are not apart,
you're with me in my memories
and my broken heart.*

The Compost Cup

This year's annual Marrow Growing Competition was a huge success, bringing together our village's finest gardeners for some friendly rivalry. Held in The Ibex, the event showcased an impressive range of marrows, with competitors vying for the coveted title of heaviest marrow.

Thank you to everyone who participated! The money raised from the marrow entries and raffle go towards the Seniors Christmas Lunch in December.

Congratulations to this year's winner of the Men's Cup **Eddie Hadland** with an impressive 9lb 6oz...

and winner of the Ladies Cup **Polly Heaven** with 8lb 12oz...

Federated Primary Schools

It has been so wonderful to welcome everyone back to our new school year!

So many smiling faces and the sound of excited chatter amongst children, and adults, coming back together after the summer break. We've had a few busy weeks getting back into the swing of our school routines with our new teachers and classmates!

A special welcome must also go to our new starters this year in Robins: **Everly, Georgia, Maddie, Stanley, Teddy, Enna, William, Margo, Eleanor, Kaleb, Otto, Nancy and Olivia.**

This term we have also relaunched our focus on Christian values, starting the year with 'Community' being our focus.

We have linked our values to the idea of a tree of life, growing it's leaves as we are able to develop our understanding and demonstrate the values through our thoughts, actions and words.

Our tree already has many leaves which represent the value of community being shared through our school. Well done to everyone!

Our first Worship text this term encouraged us to think about diversity and clubs. We decided a club is very much like a community where people gather together with a similar focus, whether it be a sport, a shared aim, something to enjoy together or even a school!

The story showed us that we do not need to be the same as someone else to fit in. We are all unique in the way we look, what we believe or understand, and the things we can,

or cannot do. That makes for a fantastic opportunity to make lots of friends that can gather together and have fun in 'Our Club'!

We are so proud of our very own **Mrs. Langford**. The 'Rumble Ramblers' team completed the Thames Bridges Trek as fundraiser for 'Action For Pulmonary Fibrosis'. Go to *Just Giving* if you'd like to donate: www.justgiving.com/page/jackie-langford-1714331531924

Finally, we need to say farewell to **Mrs Dale** who spent over 20 years with our school. **Thank You** Mrs Dale for all of the care and support you shared with children, parents and staff over the years. We wish you all the best.

Chaddleshworth and Shefford Schools PTFA

(Registered Charity 1190914)

After a six-week summer holiday, the PTFA were happy to welcome everyone back to school on Wednesday 4th September. After the children made their way into school, we served teas and coffees to parents and carers, offering everyone a chance to catch up with each other's news after the summer break. It was lovely to meet the parents of the new Robins class and welcome them into our school community.

On the Friday of our first full week back, we hosted a 'New-to-you' clothing sale. Thank you to everyone who donated their unwanted uniform items. The PTFA team washed, packaged, and labelled all donations, ready for new owners to make good use of them. Please do not hesitate to get in touch with the PTFA team at chad_shefford_ptfa@mail.com if you are in need of uniform and would like to browse our selection. We have stock in most sizes from age 2-3 years, up to adult sizes, including jumpers, cardigans,

trousers, skirts, dresses, PE kits and even shoes. All sales are by donation, with a suggested cost of £1 per item.

The changeable September weather put a dampener on our plans for a 'Back to School BBQ and family rounders match'. The thunderstorms on Friday 20th led us to cancel the event, so the PTFA team changed plan and set up a last-minute afterschool bake sale! We hope the children, parents and carers enjoyed the slices of cake baked by our team.

Our next meeting will be our AGM on Wednesday 16th October at 7:30pm in the Chaddleshworth Village Hall. All are welcome.

Ahead of our **Winter Fete on Saturday 16th November**, the PTFA are looking to reuse and recycle any of your unwanted toys, games, and Christmas jumpers, that are still in great condition. We politely request that these are clean, without any missing parts or pieces. No battery-operated toys or games please. If you have any that you would like to donate, please place these under the bike shelter on the Great Shefford site. Thank you!

Other textile donations for our next Bag2School collection, would be gratefully received from the week beginning Monday 18th November, ready for collection on Monday 25th November.

Best wishes from **Kathryn, Charlotte and the PTFA team**

Chaddleworth Cricket Club

As the 2024 cricket season draws to a close, it's time to reflect on another memorable summer for our Cricket Club. From thrilling victories to hard-fought matches, it's been a season full of excitement.

We have attracted teams from far and wide the past couple of seasons, which shows how mighty Chaddleworth Cricket Club truly is! Unfortunately, the season was cut short by the lovely British weather, but we know those teams that missed out will be keen to play again next year.

CCC VS. BRIGHTWALTON STUD

It's becoming a tradition to fit in a friendly game against The Stud amidst our busy fixture list, and this year was no exception. Despite the ever-unpredictable British weather threatening to call things off, both captains decided to press ahead! With only 10 overs each, Chad CC claimed victory with an impressive 130 runs as the sun set on the evening's game. The match was followed by a well-earned celebration with burgers and pints at The Ibox—an excellent way to wrap up a fantastic evening of cricket!

A word from our Captain...

"The season has been up and down, with some very good wins and some bad losses, but we go out fighting every week. This year has been hard with the weather, but we have done our best to keep games on and make a day of it.

Thank you to Peter and Karen at Heads Farm for providing the lovely cricket ground, along with the ground staff for making the pitch the best it's ever been and keeping on top of it.

Thank you to the tea ladies who put a fantastic effort in each week – I know that our boys are thankful for it, and we always get comments about them being the best teas in the area!

A big thank you to Tony Mills who does a lot for the club behind the scenes all the way over in Seattle. Along with **Grahame Murphy, Rosie McDowell**, and the rest of the committee, they all do a grand job at keeping this club going!

And finally, thank you to all the partners, families, and people of the village who come along to our games and show your support! Let's keep this amazing club going! UP THE CHAD!" **Jack Barrett, CCC Captain**

St Andrew's Church, Chaddleworth – part of the West Downland Benefice

West Downland Benefice

The Church of England in Brightonwaton & Catmore Chaddleworth, Fawley, Great Shefford & Shefford Woodlands, Leckhampstead and Welford & Wickham.

Dear Friends,

A couple of weeks ago I noticed that one of the readings that we had for the Sunday morning services (James, 3:1-12) included these words:

“How great a forest is set ablaze by a small fire! And the tongue is a fire.” ...and how...”all of us make many mistakes.”

This was so very appropriate for me because I had foolishly talked myself into participating in the “Ride and Stride 2024” event.” This is an annual event to raise money for the Historic Churches Trust – a charity that supports the preservation of our beautiful, historic and significant church buildings. Why was it foolish of me then? Well, because it had been about 3 years since I had been on a bike and where I lived previously was nowhere near as hilly!! It was a wonderful experience though and I met many others

along the way who were doing the same thing as me, representing different benefices and exploring our amazing churches.

If you follow us on Instagram or Facebook (@Westdownland) then you will be able to see a selfie of me in each church. You might like to see if you can work out which one is which from the 10 that I visited. If you would like to sponsor me for this effort, you can do so via <https://westdownlandbenefice.myiknowchurch.co.uk/giving>

Back to that reading - isn't it true that we can get ourselves into difficulty at times through the things that we say. There are many situations in the world, in our nation, in our communities and even in our families where the wrong things said have caused great fires of destruction to be set ablaze. But the words in James' letter are a helpful guide for us. He goes on to say:

“...the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. Peacemakers who sow in peace reap a harvest of righteousness.”

Let us all strive to be Peacemakers. In that way we will change the world! With my love and prayers,

The Base Greenham

Celebrated artist, Kurt Jackson, will be presenting his brand-new exhibition, Kurt Jackson: Oak, from Friday 27th September to Sunday 17th November.

This new series of works by the Dorset-born artist incorporates painting, sculpture, drawing and printmaking, from small postcard-sized to large tarpaulin-sized pieces, all centered around the stunning oak tree. The oak is one of the few trees that most people can recognise, or at least the leaves are. It is the first tree that Jackson's grandchildren learnt to identify; the large lobed leaves both iconic and familiar.

Contemporary artist Kurt Jackson has aimed to tackle the different aspects of this tree, individual trees and the oak habitat, their seasonal changes in dress, the leaves and acorns, the striking and robust architectural forms and structure as well as the role this tree has, and continues to play, in our shared historical and cultural narratives. Historical sites, nature reserves, ancient woodland, clifftops, river valleys, city centres, estuaries and industrial sites have all been the locations for the making of this work.

Kurt Jackson last exhibited at The Base in Summer 2023 with the inaugural exhibition of River, which inspired local art fans as well as drawing in visitors from around the country.

The Base, Greenham has programmed a range of workshops for all ages to enjoy, inspired by this exhibition. They include the popular Songs and Stories (10 and 15 Aug, 14 Sep, 3 and 19 Oct and 16 Nov) where children aged 0 to 2 years and their parents or carers will be able to explore the gallery and creative spaces through music, sensory play and movement. Club Curious (5 Oct and 1 Nov) also returns to The Base with an Oak theme, allowing families to immerse themselves in the exhibition and create their own artwork inspired by it. In Exploring Mark Making (Sat 5 Oct), Base resident artist Samantha Emmons will introduce adults to working with graphite and charcoal, inspired by Kurt Jackson's botanical landscape pieces.

Artist Amanda Hislop will be hosting a Talk about Sketchbooks and Observations (Thu 10 Oct) to understand the importance of these within artists' work. With a session for adults and one for children, Exploring Leaves and Trees with Mixed Media (Sat 19 Oct) experiments with a range of exciting mixed media to create a variety of textures. Tree Lines: Searching for Possibilities (Sat 26 Oct) allows participants to work closely with artist Amanda Hislop using drawn lines, colour washes, collage on paper and cloth to create stunning pieces to take home.

September has been a busy month for us at Trindledown Farm! Some of you may have noticed that we have had to temporarily close the centre to the public and we apologise for any inconvenience this may cause. We will be spending lots of time taking extra care of the animals here at the centre and we hope to reopen soon.

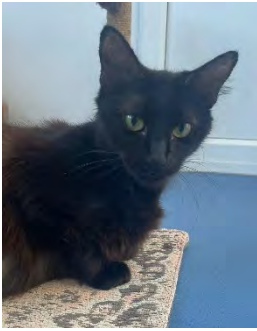

In the meantime, in addition to caring for all our animals, we have been in full prep mode getting ready for *Newbury Show* and our next upcoming event in October – a **Halloween Fun Dog Show!** Mark the date in your calendar, on **Saturday 19th October**, we will be running our first Halloween themed event with lots of fun classes and several stalls showcasing our favourite Halloween pet accessories! We said goodbye this month to our beloved goats. Following the flooding at our centre earlier this year, it was decided it was in the best interest of the goat's welfare to rehome them where their field wouldn't be subject to flooding. The goats are now living their best life with a massive field to call their own and

Another bit of very exciting news for September, *Rox's* litter of eight kittens have all fled the nest and found amazing homes! Including *Kiara* and *Zazu* who have since been renamed *Kyra* and *Foxx*, and we have received a lovely update from their new family to say how incredible they are and how they love getting up to mischief together.

Now that Rox's kittens have found their forever homes, we're super excited to welcome a new batch of kittens soon! We've taken in a sweet pregnant stray

cat, and the team has lovingly named her *Tonks*. At the time of writing this, Tonks is days away from giving birth, so make sure you're following our social media to hear more about our upcoming arrivals!
